OTHER

Library Services is now providing a comprehensive serials list of all the library's journals, magazines, and newspapers in electronic, print, microfilm, and microfiche formats. The alphabetical list provides links to the electronic resource which covers the full-text of the serial. It also provides links to the appropriate WebPALS records for print and microform versions of serials. This new resource is updated every two months. Access to the Serials List is available from the QuickLinks and Online Resource menus on the library's homepage.
