The Cataloging Unit (Bobby Bothmann, Jessica Schomberg, Rose-Marie Ley, Diane Sharits, Steph Webber) has had two internal training sessions in September on the MARC Format for Holdings Data and Creating gift and non-purchase acquisition records.

The website that is maintained by the Memorial Library Government Documents Department, "Government Documents Display Clearinghouse", <http://www.lib.mnsu.edu/lib/govdoc/proj/tutorials/finalfront2.html>, received numerous display submissions relating to Constitution Day, Sept. 17th. Among the libraries contributing to the website were Humboldt State University in California, Northeastern State University in Oklahoma, Texas Tech School of Law, University of California in Los Angeles, University of Illinois in Urbana-Champaign, University of South Alabama, University of Cincinnati in Ohio, and Albion College in Michigan.

Over 50 images from the MSU University Archives are now available on the Minnesota Digital Library website. <http://reflections.mndigital.org/> (Click on Search by Contributing Institution to find MSU materials) These MSU photos join over 5000 other images from more than 50 institutions around the state in the Minnesota Reflections project.
